

ABOUT US

Welcome to The Mills Beauty Boutique, a multi award-winning luxury salon offering exceptional treatments within a calm, welcoming boutique environment. Our small, friendly team is led by salon owner Emma Brock, an OPI Nail Boss and Ambassador. With exclusive access to the latest OPI colours and innovations before public release, we ensure our clients experience the very best in industry-leading products and techniques.

We specialise in a variety of premium treatments including nails, lashes, brows, waxing, and massage, all delivered with precision, care, and attention to detail. Every appointment is tailored to enhance your natural beauty while providing a relaxing, luxurious experience.

At The Mills Beauty Boutique, we combine award-winning standards with a warm, personal touch — and you may even be greeted by our much-loved salon dachshund, Benny.

We look forward to welcoming you.
